

## COMPANY OVERVIEW

iQ GovSolutions is the dba for iQuasar LLC, an ISO 27001 and ISO 9001 certified company. We are an SBA-certified 8(a) Small Business headquartered in Sterling, VA. With over two decades of business experience, we specialize in cybersecurity advisory consulting and managed services. We provide expert cybersecurity consulting in security architecture, cloud security, mobile security, and regulatory compliance. Our team of certified principals possesses extensive experience in information security and cybersecurity, with notable expertise in HIPAA, FERPA, and other regulations. We excel in identity and access management, security project management, and data protection—both on-premises and in the cloud.

iQ GovSolutions also offers a Cybersecurity Awareness Training Program. This program is crafted to fortify organizations by educating and empowering their workforce against cyber threats. The program is designed to be engaging and practical, ensuring that employees are not only aware but also equipped to act against cybersecurity risks.
